In the last Chapter of 1 Thessalonians Paul talks about the return of Christ. The first and most important aspect is that Christ will one day return. We don't know when He will return but we know that it will happen. Here Paul gives a little insight to what it will be like and how we should act. Join us this week as we look at the Day of the Lord and all that might be involved around it.

Therefore encourage one another and build each other up, just as in fact you are doing.

### **The Day of the Lord**

**5** Now as to the times and the epochs, brethren, you have no need of anything to be written to you. **2** For you yourselves know full well that the day of the Lord will come just like a thief in the night. **3** While they are saying, "Peace and safety!" then destruction will come upon them suddenly like labor pains upon a woman with child, and they will not escape. **4** But you, brethren, are not in darkness, that the day would overtake you like a thief; **5** for you are all sons of light and sons of day. We are not of night nor of darkness; **6** so then let us not sleep as others do, but let us be alert and sober. **7** For those who sleep do their sleeping at night, and those who get drunk get drunk at night. **8** But since we are of *the* day, let us be sober, having put on the breastplate of faith and love, and as a helmet, the hope of salvation. **9** For God has not destined us for wrath, but for obtaining salvation through our Lord Jesus Christ, **10** who died for us, so that whether we are awake or asleep, we will live together with Him. **11** Therefore encourage one another and build up one another, just as you also are doing.
