Using This Study

❶ EXAMINE His Word

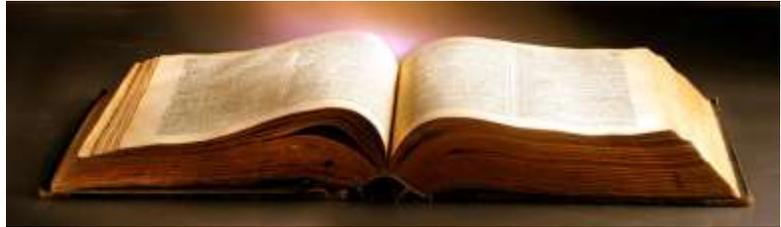

What does God SAY? Open your time with prayer. The words God uses to communicate matters, so go back and pay close attention to the details that are emphasized or repeated in the passage.

❷ EXPLORE His Word

What does God MEAN? Asking questions of the text helps surface how the details relate to the message God wants to communicate.

❸ EMBRACE His Word

Why does it MATTER to me? Embrace God by responding to what you discover in His word in faith and obedience.

This morning we will look at the second step of making fully devoted followers of Christ. In talking about our mission statement, we have already seen how our worship is a form of loving God and how our service is a way for us to love people. Last week, we talked about how winning people for Christ is the first step in making a disciple. This week we will talk about being built up in Christ as the second step in making disciples. We will see the vital role that relationships and the Scriptures play as we help others grow in their relationship with Christ.
